**Platford Corporation is a General Contracting/Construction Management firm headquartered in Lake County, Illinois. A significant portion of our business is tenant improvement work consisting of remodeling, rehabilitation, and new construction. In business since 1979, Platford has completed over 350,000 SF of interior work in Lake, McHenry, Kane, and Dupage County, as well as the City of Chicago. Recently, we have also completed interior projects in Racine County, Wisconsin.**

**Attention to small details, consistent communication with the client, and the ability to perform in brief timeframes, has allowed Platford to consistently provide a quality end product, and acquire client satisfaction throughout the years.**
