

Platford/ AthletiCo Relationship Continues

Platford is proud of the new relationship it began with AthletiCo in 2006. Our history started with the

construction of their new Barrington location in the fall of 2006. Since the Barrington project, we have

built a new location in Hoffman Estates and renovated their existing LaGrange, Wheeling and Willowbrook stores.

AthletiCo provides outpatient orthopedic rehabilitation, including physical therapy, occupational therapy,

sports medicine, work rehabilitation, performing arts rehabilitation, massage therapy, women's health, golf fitness and performance enhancement, throughout Chicago and the surrounding suburbs. AthletiCo has an affiliation with Northwestern University, the Chicago Bears, Chicago White Sox, Chicago Fire, Chicago Bulls, Joffrey Ballet and the Chicago Marathon, to name a few.

Thank you especially to Tom Beardsley and Wes Rehwooldt of AthletiCo, our main construction contacts. We value this new relationship and look forward to the future.

Associated's employees gather in front of the addition as part of their Employee Appreciation Week.

Associated Research Expands

A groundbreaking ceremony was held on May 23rd for Associated's 12,640 square foot addition. The project progressed quite well over the summer and was completed by the end of September. Platford is now beginning the remodeling

and renovation of Associated's existing 10,975 square foot building, which will include construction of additional office space in the existing warehouse area and the remodeling of the existing offices. This work is scheduled to be completed in November.

Associated's business and employee growth, coupled with the launch of new product lines, has fueled the need for more space. Associated is a manufacturer of electrical safety testing instruments.

Our special thanks to Eve Gramer of Associated, who has served as the key coordinator for all activities related to the expansion.

Ironworkers setting steel in August.

The Platford Philosophy:

Our commitment is to provide our clients and partners with the highest quality construction product. This commitment is built on a foundation of trust and honesty. Our reputation has been earned through our belief in these personal and corporate values. We believe the quality of the end product is determined by the integrity of the process. At Platford, we transform values into assets.

An old furniture and appliance store is demolished before site construction begins.

Lewis Avenue Retail Center

Platford is serving as general contractor for a 4,800 square foot multi-tenant retail center in Waukegan, Illinois. The project is being developed by Northshore Management Group, a new client for Platford.

The building will be anchored by a drive-thru Dunkin Donuts. Northshore is a franchisee of Dunkin Brands. Platford recently completed the Dunkin contractor qualification process required to serve as a builder for any Dunkin Donuts/Baskin Robbins work. Platford is also constructing a new Dunkin Donuts location for Northshore in Libertyville, Illinois.

A concrete pump is used to pour the foundations.

We are thankful for the new relationship that has been established between our two groups and Dunkin Brands corporate.

15 Years!

We are pleased to celebrate Barb Seyller's 15th year with Platford. Barb

Barb Seyller

started with us in October 1992. She serves as a part time Administrative Assistant and her duties vary, with a focus on managing our tenant and subcontractor certificates of insurance.

Barb's willingness to help, smiling face and positive attitude are an asset to our organization. We are proud to not only have her as an employee, but also a friend.

Happy 15th anniversary, Barb!
