

PLATFORD

C O R P O R A T I O N

Don Johnston, Inc.
26799 Commerce Drive,
Volo, Illinois

Don Johnston, Inc. has been experiencing tremendous growth in the last few years.

Platford has been hired to help meet these growth demands. In the Fall of 2005, we completed an expansion of their office and parking facilities. The first step was to move them out of their existing warehouse into an 8,000 SF space available in a neighboring Platford developed project. We then converted the former warehouse into two floors of finished office space through the installation of new structural steel and precast concrete. The parking lot was expanded by 52 spaces to meet the increased amount of employees.
